

Kratos Receives \$5 Million C5ISR Production Award from U.S. Government Agency

May 29, 2019

SAN DIEGO, May 29, 2019 (GLOBE NEWSWIRE) -- Kratos Defense & Security Solutions, Inc. (Nasdaq: KTOS), a leading National Security Solutions provider, announced today that it has recently received a \$5 million Command, Control, Communication, Computing, Combat and Intelligence, Surveillance and reconnaissance (C5ISR) production award from a U.S. Government Agency. Kratos C5ISR Modular Systems business is an industry leader in providing products, hardware and solutions to the U.S. Department of Defense and other National Security customers in support of Missile, Radar, Missile Defense, Electromagnetic Rail Gun, Unmanned Aerial, Directed Energy and CBRNE platforms and systems. Work under this recent contract award will be performed in a secure Kratos manufacturing facility. Due to customer related, competitive and other considerations, no additional information will be provided related to this contract award.

Tom Mills, President of Kratos C5ISR Modular Systems Business, said, "Kratos is the demonstrated and proven provider of choice to our National Security customers for highly engineered, mission critical, high performance and hardened C5ISR products, systems and subsystems and we are committed to exceeding their mission critical requirements."

About Kratos Defense & Security Solutions
