

Kratos Receives \$4.1 Million Contract for U.S. Navy Electronic Attack Platform

SAN DIEGO, March 10, 2015 (GLOBE NEWSWIRE) -- [Kratos Defense & Security Solutions, Inc.](#) (Nasdaq:KTOS), a leading National Security Solutions provider, announced today that its Electronic Products division has received orders valued at \$4.1 million for the production of Integrated Microwave Assemblies (IMA) for a critical U.S. Navy platform. These awards, from existing customers, are related to continuing production on a long term Electronic Attack (EA) airborne platform. No additional details are being provided due to customer and other sensitivities.

Richard F. Poirier, President of Kratos' Electronic Products Division, commented, "These orders are the latest awards received for complex integrated assemblies. These assemblies will be manufactured at Kratos' CTI facility and are critical elements of high performance sensor systems. Kratos has participated on this program for many years and continues to be a valued supplier providing sophisticated subsystems for this U.S. Navy aircraft."
