

## **Kratos Awarded \$1.8M Contracts to Provide Complex Integrated Microwave Components for Key Navy Aerial Platform**

### **Award Continues Long-Standing Relationship With Kratos' Subsidiary Herley New England**

SAN DIEGO, June 10, 2011 (GLOBE NEWSWIRE) -- Kratos Defense & Security Solutions, Inc. (Nasdaq:KTOS), a leading National Security Solutions provider, announced today that has been awarded contracts to provide complex integrated microwave assemblies for a key U.S. Navy platform. The awards were made to Kratos' subsidiary Herley Industries — New England. This award, totaling \$1.8M, continues a decade-long relationship with the program and will support the latest variant of its platform. Awards for additional components are expected for a minimum of ten years as the platform is fielded throughout the Fleet.

Herley Industries' President, Rich Poirier, noted, "Our long standing relationship with this customer demonstrates our outstanding technical and manufacturing capability in support of the Warfighter."

Kratos' President and CEO, Eric DeMarco, commented, "We are extremely pleased with this award, as it clearly highlights our focus on providing the highest quality products and services to high-visibility, proven programs such as this one."

### **About Kratos Defense & Security Solutions**

Kratos Defense & Security Solutions, Inc. (Nasdaq:KTOS) is a specialized National Security technology business providing mission critical products, services and solutions for United States National Security priorities. Kratos' core capabilities are sophisticated engineering, manufacturing and system integration offerings for National Security platforms and programs. Kratos' areas of expertise include Command, Control, Communications, Computing, Combat Systems, Intelligence, Surveillance and Reconnaissance (C5ISR), unmanned systems, cyber warfare, cyber security, information assurance, critical infrastructure security and weapons systems sustainment. Kratos has primarily an engineering and technical oriented work force of approximately 3,900, the majority of which hold an active National Security clearance, including Secret, Top Secret and higher. The vast majority of Kratos' work is performed on a military base, in a secure facility or at a critical infrastructure location. Kratos' primary end customers are United States Federal Government agencies, including the Department of Defense, classified agencies, intelligence agencies and Homeland Security related agencies.
