Kratos Receives $4 Million C5ISR Contract Award

December 18, 2018

SAN DIEGO, Dec. 18, 2018 (GLOBE NEWSWIRE) -- Kratos Defense & Security Solutions, Inc. (Nasdaq: KTOS), a leading National Security Solutions provider, announced today that it has recently received an approximate $4 million Contract Award for specialized products and hardware in support of a Command, Control, Communications, Computing, Combat, Intelligence, Surveillance and Reconnaissance (C5ISR) Program. Kratos’ C5ISR Modular Systems business specializes in the rapid development, demonstration and fielding of affordable products, hardware and systems, including missile, radar, missile defense, surface combatant, satellite and CBRNE programs and systems. Work under this new contract award will be performed in a secure Kratos manufacturing facility. Due to competitive, customer related and other considerations, no additional information is being provided related to this contract award.

Tom Mills, President of Kratos C5ISR Modular Systems Division, said, “Our entire organization is proud to have been selected to support this customer in this mission critical national security related requirement.”
