

## **Kratos Receives \$16.4 Million in Missile Defense System and Microwave Electronics Orders**

May 13, 2019

SAN DIEGO, May 13, 2019 (GLOBE NEWSWIRE) -- Kratos Defense & Security Solutions, Inc. (Nasdaq: KTOS) today announced that it has recently received \$16.4 million in missile defense system and other microwave electronic products orders. Kratos is a leader in providing microwave electronic products which support missile defense, electronic warfare, guided munitions, communications and other mission critical systems. Work under these recently received contract awards will be performed in secure Kratos manufacturing facilities. Due to competitive, customer related and other considerations, no additional information will be provided.

Yonah Adelman, President of Kratos Microwave Electronics Division, said, "Our entire organization is proud to have been selected to support these critical customer system requirements."

### **About Kratos Defense & Security Solutions**

Kratos Defense & Security Solutions, Inc. (NASDAQ:KTOS) develops and fields transformative, affordable technology, platforms and systems for United States National Security related customers, allies and commercial enterprises. Kratos is changing the way breakthrough technology for these industries are rapidly brought to market through proven commercial and venture capital backed approaches, including proactive research and streamlined development processes. Kratos specializes in unmanned systems, satellite communications, cyber security/warfare, microwave electronics, missile defense, hypersonic systems, training, combat systems and next generation turbo jet and turbo fan engine development.
