

Kratos Receives \$5.1 Million in C5ISR Program Production Awards

October 25, 2019

SAN DIEGO, Oct. 25, 2019 (GLOBE NEWSWIRE) -- Kratos Defense & Security Solutions, Inc. (Nasdaq: KTOS), a leading National Security Solutions provider, announced today that it has recently received \$5.1 million in Command, Control, Communication, Computing, Combat, Intelligence, Surveillance and Reconnaissance System (C5ISR) program related production awards. Kratos is a leading provider of products in support of C5ISR programs and systems including, unmanned systems, missile defense, high power directed energy, radar, and surface combatants. Contract awards will be performed at secure Kratos manufacturing facilities. Due to customer related, competitive and other considerations, no additional information will be provided related to these contract awards.

Tom Mills, President of Kratos C5ISR Modular Systems Division, said, "The recapitalization of strategic weapon systems is providing our business numerous large opportunities, and our current opportunity pipeline is extremely sound and growing, including new large programs of record. These recent contract awards are representative of our unique capabilities to support leading C5ISR programs for our customers."
