Kratos Awarded $2.7 Million Sole-Source Award for Drone Mission Command and Control Kits

April 20, 2020

SAN DIEGO, April 20, 2020 (GLOBE NEWSWIRE) -- Kratos Defense & Security Solutions, Inc. (NASDAQ:KTOS), a leading National Security Solutions provider, announced today that Kratos Unmanned Systems Division has received a $2.7 million sole-source option award for Command and Control System Mission Kits to support U.S. drone operations. Kratos is the design and qualification authority and this award is part of the follow-on production program. Production is now in its second year of a 5 year IDIQ contract.

Steve Fendley, President of Kratos Unmanned Systems Division, said, “Our primary focus and commitment remains developing and supporting cost-effective unmanned systems for our nation’s warfighter. During these unusual times, we are dual-hatted, focused on keeping our company personnel and communities safe, while continuing to deliver our critical systems to the military.”

Due to competitive, customer-related, and other considerations, no additional information will be provided related to this new contract award.

About Kratos Defense & Security Solutions, Inc.
Kratos Defense & Security Solutions, Inc. (NASDAQ:KTOS) develops and fields transformative, affordable technology, platforms and systems for United States National Security related customers, allies and commercial enterprises.
