SAN DIEGO, June 30, 2020 (GLOBE NEWSWIRE) -- Kratos Defense & Security Solutions, Inc. (Nasdaq: KTOS), a leading National Security Solutions provider, announced today that it has completed its acquisition of CPI ASC Signal Division Inc. (ASC) from Communications & Power Industries LLC (CPI) following the receipt of regulatory approval from all required government authorities and completion of other closing items.

The acquisition broadens Kratos' space ground systems business with the addition of market-leading earth station antennas that are an important part of government strategic and tactical communications, especially for defense and intelligence operations, and are also used widely in the commercial world. ASC products also include radar antennas for air traffic control and weather applications, as well as High-Frequency (HF) and specialty antennas. Kratos' space business offers a wide variety of products and solutions across the satellite ground segment, including RF infrastructure, systems management and mission assurance products.
