

Kratos Teams With SAIC for \$72 Million Multiple Award Contract to Provide Support Services to Space and Naval Warfare Systems Center Pacific

SAN DIEGO, May 2, 2012 (GLOBE NEWSWIRE) -- [Kratos Defense & Security Solutions, Inc.](#) (Nasdaq:KTOS), a leading National Security Solutions provider, announced today that it was on the Science Applications International Corporation (SAIC) (NYSE:SAI) winning team to provide Intelligence Surveillance Reconnaissance (ISR), Information Operations (IO), Systems Engineering, Software Development, and Test and Evaluation services to Space and Naval Warfare Systems Center Pacific (SSC Pacific). Kratos will provide systems engineering, software development, test and evaluation, and program management services in support of ocean surveillance systems. The five-year indefinite-delivery/indefinite-quantity contract includes a three-year base and two option years and a potential contract value of approximately \$72.6 million if all task orders and the option are exercised.

"Contract awards like this give Kratos the ability to grow our SSC Pacific presence and strengthen relationships with our customers. As always, we are very excited to support SSC Pacific and its mission," said Vic Wilson, Senior Vice President of Kratos' Engineering & Analysis Business Unit.

About Kratos Defense & Security Solutions

Kratos Defense & Security Solutions, Inc. (Nasdaq:KTOS) is a specialized National Security technology business providing mission critical products, services and solutions for United States National Security priorities. Kratos' core capabilities are sophisticated engineering, manufacturing and system integration offerings for National Security platforms and programs. Kratos' areas of expertise include Command, Control, Communications, Computing, Combat Systems, Intelligence, Surveillance and Reconnaissance (C5ISR), satellite communication systems, unmanned systems, cyber warfare, cybersecurity, information assurance, critical infrastructure security and weapons systems sustainment. Kratos has primarily an engineering and technical oriented work force of approximately 4,100, many of whom hold an active National Security clearance, including Secret, Top Secret and higher.
