## **Kratos Unmanned Systems Solutions Division Receives \$11.5 Million in Specialty Product Orders for Unmanned Aerial Vehicle and Other Programs**

SAN DIEGO, April 3, 2013 (GLOBE NEWSWIRE) -- [Kratos Defense & Security Solutions, Inc.](#) (Nasdaq:KTOS), a leading National Security Solutions provider, announced today that its Unmanned Systems Solutions Division (KUSS) has recently received \$11.5 million in specialty product orders related to certain Unmanned Aerial System and other programs. Kratos' USS division produces some of the world's most advanced, unmanned aerial systems and drones, electronics, avionics, ground control and support products and equipment. The products to be produced under these orders will be manufactured in secure Kratos manufacturing facilities. Due to the nature of the products being produced by Kratos, specific customer and other related considerations, no additional information regarding these product orders is being provided.

Richard Selvaggio, President of Kratos Unmanned Systems Solutions, said, "We are proud to support these important and strategic customers in the successful execution of their missions."

### **About Kratos Defense & Security Solutions**

Kratos Defense & Security Solutions, Inc. (Nasdaq:KTOS) is a specialized National Security technology business providing mission critical products, services and solutions for United States National Security. Kratos' core capabilities are sophisticated engineering, manufacturing and system integration offerings for National Security platforms and programs. Kratos' areas of expertise include Command, Control, Communications, Computing, Combat Systems, Intelligence, Surveillance and Reconnaissance (C5ISR), satellite communication systems, unmanned systems, cyber warfare, cybersecurity, information assurance, and critical infrastructure security. Kratos has primarily an engineering and technically oriented work force of approximately 4,300. The vast majority of Kratos' work is performed on a military base, in a secure facility or at a critical infrastructure location. Kratos' primary end customers are National Security related agencies.
