

Kratos Receives Approximately \$4 Million in Contract Awards for Specialty Equipment Supporting Radar and Other National Security Programs

Recent Orders Expand Kratos' International Security Program Support Efforts

SAN DIEGO, June 5, 2013 (GLOBE NEWSWIRE) -- [Kratos Defense & Security Solutions, Inc.](#) (Nasdaq:KTOS), a leading National Security Solutions provider, announced today that it has recently received contract awards totaling approximately \$4 million for specialized equipment in support of certain radar related and other National Security programs. These new contract awards also expand Kratos' international security and customer related program support initiatives. Approximately 30 percent of Kratos' overall business is commercial or international ultimate customer sourced, a key element of Kratos' business diversification and strategy. The specialized products to be delivered under these contract awards will be produced in secure Kratos manufacturing facilities. Due to customer related and other considerations, no additional information will be provided.

About Kratos Defense & Security Solutions

Kratos Defense & Security Solutions, Inc. (Nasdaq:KTOS) is a specialized National Security technology Company providing mission critical products, services and solutions for United States National Security. Kratos' core capabilities are sophisticated engineering, manufacturing and system integration offerings for National Security platforms and programs. Kratos' areas of expertise include Command, Control, Communications, Computing, Combat Systems, Intelligence, Surveillance and Reconnaissance (C5ISR), satellite communication systems, electronic warfare, unmanned systems, missile defense, cyber warfare, cybersecurity, information assurance, and critical infrastructure security. Kratos has primarily an engineering and technically oriented work force of approximately 4,200. The vast majority of Kratos' work is performed on a military base, in a secure facility or at a critical infrastructure location. Kratos' primary end customers are National Security related agencies. News and information are available at www.KratosDefense.com.
