Kratos Receives \$14 Million in Unmanned Aerial System and C5ISR Program Related Product and System Orders

SAN DIEGO, Aug. 30, 2016 (GLOBE NEWSWIRE) -- Kratos Defense & Security Solutions, Inc. (Nasdaq:KTOS), a leading National Security Solutions provider, announced today that it has recently received \$14 million unmanned aerial system and command, control, communication, computer, combat system, intelligence, surveillance & reconnaissance (C5ISR) program related product orders. The products and systems to be delivered under these orders will be manufactured in a secure Kratos facility. Due to customer related and other considerations, no additional information will be provided related to these recent orders.

Tom Mills, President of Kratos Modular Systems Division (KMSD), said, "KMSD is a leader in highly specialized and hardened products and systems in support of tactical unmanned aerial system, C5ISR and other National Security related programs, and we are proud to support our customers with their mission critical requirements."

About Kratos Defense & Security Solutions

Kratos Defense & Security Solutions, Inc. (Nasdaq:KTOS) is a mid-tier government contractor at the forefront of the Department of Defense's Third Offset Strategy. Kratos is a leading technology, intellectual property and proprietary product and solution company focused on the United States and its allies' national security. Kratos is the industry leader in high performance unmanned aerial drone target systems used to test weapon systems and to train the warfighter, and is a provider of high performance unmanned combat aerial systems for force multiplication and amplification. Kratos is also an industry leader in satellite communications, microwave electronics, cyber security/warfare, missile defense and combat systems. Kratos has primarily an engineering and technically oriented work force of approximately 2,800. Substantially all of Kratos' work is performed on a military base, in a secure facility or at a critical infrastructure location. Kratos' primary end customers are National Security related agencies.
