## **Kratos Public Safety & Security Solutions Division Appoints Jack Turley as Vice President of Strategic Development**

SAN DIEGO, June 6, 2012 (GLOBE NEWSWIRE) -- Kratos Defense & Security Solutions, Inc. (Nasdaq:KTOS), a leading National Security Solutions provider, today announced that its Public Safety & Security Solutions (PSS) Division has appointed Jack Turley as its Vice President of Strategic Development. In his new role, Mr. Turley will be responsible for all marketing, vertical market development, and strategic alliances for PSS.

Mr. Turley has extensive experience and has been a leader in the security industry. Prior to joining the Kratos team, Mr. Turley was the VP of Sales & Marketing at Gallagher Security, where he formed a team that successfully laid the foundation for the company in a very competitive landscape. Before that, he was the VP of Sales & Marketing for Aronson Security Group, a systems integrator with global customers. Mr. Turley has a Bachelor's degree in Public Relations from California State University, Long Beach.

"Jack has a strong background in marketing with many innovative programs for various facets of the security sector in his previous roles and will work to enhance the Kratos|HBE brand to support our key initiatives," said Ben Goodwin, President of Kratos PSS.

### **About Kratos Defense & Security Solutions**

Kratos Defense & Security Solutions, Inc. (Nasdaq:KTOS) is a specialized National Security technology business providing mission critical products, services and solutions for United States National Security priorities. Kratos' core capabilities are sophisticated engineering, manufacturing and system integration offerings for National Security platforms and programs. Kratos' areas of expertise include Command, Control, Communications, Computing, Combat Systems, Intelligence, Surveillance and Reconnaissance (C5ISR), satellite communication systems, unmanned systems, cyberwarfare, cybersecurity, information assurance, critical infrastructure security and weapons systems sustainment. Kratos has primarily an engineering and technical oriented work force of approximately 4,100, many of whom hold an active National Security clearance, including Secret, Top Secret and higher. The vast majority of Kratos' work is performed on a military base, in a secure facility or at a critical infrastructure location. Kratos' primary end customers are United States Federal Government agencies, including the Department of Defense, classified agencies, intelligence agencies and Homeland Security related agencies.
