## Kratos Receives \$5.6 Million Product Order in Support of Department of Defense Program

SAN DIEGO, Oct. 8, 2013 (GLOBE NEWSWIRE) -- Kratos Defense & Security Solutions, Inc. (Nasdaq:KTOS), a leading National Security Solutions provider, announced today that its Modular Systems (MS) Division has recently received a \$5.6 million order in support of a United States Department of Defense program. The equipment to be produced in support of this National Security related program will be manufactured by Kratos' MS Division in a secure Kratos manufacturing facility. Kratos' MS Division designs, engineers, fabricates and manufactures highly specialized products in support of critical National Security related programs, including as related to command and control systems, missiles and radars and other products that support the Warfighter. Due to specific customer related and other considerations, no additional information will be provided related to this contract award.

Tom Mills, President of Kratos' MS Division, said, "We are proud to have received this recent contract award in support of United States National Security and the Warfighter."
