

Kratos CEO Interviewed by the Wall Street Reporter

SAN DIEGO, Nov. 19, 2012 (GLOBE NEWSWIRE) -- Kratos Defense & Security Solutions, Inc. (Nasdaq:KTOS), a leading National Security Solutions provider, announced today that the *Wall Street Reporter* has conducted an audio interview with Kratos' CEO and President, Eric DeMarco.

In the interview, DeMarco outlines Kratos' continued execution of its strategy in building a technology and product based National Security business focused on Satellite Communications, Electronic Warfare, Unmanned Systems and Missile Defense, where Kratos products and technology are "designed in" to some of our country's critical National Security Programs. The interview provides an overview of the Company, its technology, recent military contracts and an update of the Company's achievements since the last WSR interview in 2010.

The *Wall Street Reporter* (est. 1843) is a leading online, market news provider that brings current news and market insight to investors and gives investors direct access to CEO's of promising, publicly-traded companies. Wall Street Reporter's global investor audience consists primarily of hedge fund managers, investment advisors, analysts, investment bankers, and self-directed individual investors managing over \$2 trillion in capital worldwide.
