## **Kratos Receives \$10 Million Blanket Purchase Agreement (BPA) From National Security Customer**

### **Products to be Provided Under BPA to Support the U.S. Warfighter**

SAN DIEGO, April 8, 2014 (GLOBE NEWSWIRE) -- Kratos Defense & Security Solutions, Inc. (Nasdaq:KTOS), a leading National Security Solutions provider, announced today that its Kratos Modular Systems (MS) Division has recently received a \$10 million Blanket Purchase Agreement (BPA) from a United States National Security customer for the manufacture and delivery of specialized products to support the Warfighter. The products to be delivered under the new BPA will be based on task orders and produced at a secure Kratos manufacturing facility. Initial task orders under the BPA have recently been released. Due to customer related and other considerations, no additional information will be provided related to this BPA award.

Tom Mills, President of Kratos' MS Division, said, "Our entire organization is pleased to have received this Blanket Purchase Agreement and to be working with this important customer in the support of our Warfighters in the successful execution of their mission."

### **About Kratos Defense & Security Solutions**

Kratos Defense & Security Solutions, Inc. (Nasdaq:KTOS) is a specialized National Security technology Company providing mission critical products, solutions and services for United States National Security. Kratos' core capabilities are sophisticated engineering, manufacturing and system integration offerings for National Security platforms and programs. Kratos' areas of expertise include Command, Control, Communications, Computing, Combat Systems, Intelligence, Surveillance and Reconnaissance (C5ISR), satellite communication systems, electronic warfare, unmanned systems, missile defense, cyber warfare, cybersecurity, information assurance, and critical infrastructure security. Kratos has primarily an engineering and technically oriented work force of approximately 3,800. Substantially all of Kratos' work is performed on a military base, in a secure facility or at a critical infrastructure location. Kratos' primary end customers are National Security related agencies. News and information are available at [www.KratosDefense.com](http://www.KratosDefense.com).

### **Notice Regarding Forward-Looking Statements**

Certain statements in this press release may constitute "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995. These forward-looking statements are made on the basis of the current beliefs, expectations and assumptions of the management of Kratos and are subject to significant risks and uncertainty, including risks related to product failure, general economic conditions and cutbacks in spending. Investors are cautioned not to place undue reliance on any such forward-looking statements. All such forward-looking statements speak only as of the date they are made, and Kratos undertakes no obligation to update or revise these statements, whether as a result of new information, future events or otherwise. For a further discussion of risks and uncertainties that could cause actual results to differ from those expressed in these forward-looking statements, as well as risks relating to the business of Kratos in general, see the risk disclosures in the Annual Report on Form 10-K of Kratos for the year ended December 29, 2013, and in subsequent reports on Forms 10-Q and 8-K and other filings made with the SEC by Kratos.
