

Kratos Receives \$7 Million in Army Tank-Automotive and Armaments Command Contract Awards

SAN DIEGO, Aug. 16, 2011 (GLOBE NEWSWIRE) -- Kratos Defense & Security Solutions, Inc. (Nasdaq:KTOS), a leading National Security Solutions provider, announced today that its subsidiary, Gichner Systems Group, has been awarded contracts from the U.S. Army Tank-automotive and Armaments Command (TACOM) Life Cycle Management Command (LCMC) for Tricon products exceeding \$7 million. Integration and assembly of the configurable Tricon products, which support the Warfighter's deployment, equipment maintenance, transportation, medical and sustainment needs, will be performed at Gichner's Charleston Marine Containers Inc. (CMCI) facility in Charleston, SC. These new orders continue the long-standing relationship between CMCI and the TACOM LCMC.

Tom Mills, President of Kratos' Gichner Systems Group, said, "Gichner has a long relationship with TACOM LCMC, and we are proud to continue to provide our unique, versatile and easily deployable Tricon products to this extremely valuable customer in support of our nation's warfighters."

About Gichner Systems Group

Gichner Systems Group (GSG), a subsidiary of the Weapons Systems Solutions Division of Kratos Defense & Security Solutions, Inc., is a world leader in the design, engineering, manufacturing, integration and testing of tactical shelters, modular containers, specialized truck bodies, subsystems and support equipment. Gichner's primary end customers include various leading defense contractors, the U.S. military and its allies. The turn-key products and solutions that Gichner provides protect military personnel, electronic systems and other cargo during transport and operation in some of the world's harshest environments. GSG also specializes in the service, reset and repair of existing shelter and containerized systems. News and information are available at www.gichnersystemsgroup.com

About Kratos Defense & Security Solutions

Kratos Defense & Security Solutions, Inc. (Nasdaq:KTOS) is a specialized National Security technology business providing mission critical products, services and solutions for United States National Security priorities. Kratos' core capabilities are sophisticated engineering, manufacturing and system integration offerings for National Security platforms and programs. Kratos' areas of expertise include Command, Control, Communications, Computing, Combat Systems, Intelligence, Surveillance and Reconnaissance (C5ISR), unmanned systems, cyber warfare, cyber security, information assurance, critical infrastructure security and weapons systems sustainment.
