

## **Kratos Awarded \$2.6 Million Critical Infrastructure Security Contract by Large International Petroleum Product Provider**

SAN DIEGO, June 25, 2013 (GLOBE NEWSWIRE) -- [Kratos Defense & Security Solutions, Inc.](#) (Nasdaq:KTOS), a leading National Security Solutions provider, announced today that its Public Safety & Security Solutions (PSS) Division recently received a \$2.6 million contract award from a large international petroleum product provider. Under the terms of the contract award, Kratos will design, engineer, deploy and integrate into a command and control network a specialized security system. The security system to be deployed will include video surveillance, analytics, access control and other security elements. Due to specific customer related and other considerations, no additional information will be provided related to this contract award.

Ben Goodwin, President of Kratos PSS Division, said, "We are proud to have this global customer's confidence to deploy this unique and important security system. One of PSS' most important vertical markets is energy production and transport, and we believe that we have unique security system qualifications and capabilities to offer our customers in this area."

### **About Kratos Defense & Security Solutions**

Kratos Defense & Security Solutions, Inc. (Nasdaq:KTOS) is a specialized National Security technology Company providing mission critical products, services and solutions for United States National Security. Kratos' core capabilities are sophisticated engineering, manufacturing and system integration offerings for National Security platforms and programs. Kratos' areas of expertise include Command, Control, Communications, Computing, Combat Systems, Intelligence, Surveillance and Reconnaissance (C5ISR), satellite communication systems, electronic warfare, unmanned systems, missile defense, cyber warfare, cybersecurity, information assurance, and critical infrastructure security. Kratos has primarily an engineering and technically oriented work force of approximately 4,100. The vast majority of Kratos' work is performed on a military base, in a secure facility or at a critical infrastructure location. Kratos' primary end customers are National Security related agencies.
