

## **Kratos on Winning Team to Provide Sustainment and Support for Multiple Weapon and Combat Systems**

### **Total Value of Two-Year Single Award Contract of \$40 Million**

SAN DIEGO, Aug. 29, 2011 (GLOBE NEWSWIRE) -- Kratos Defense & Security Solutions, Inc. (Nasdaq:KTOS), a leading National Security Solutions provider, announced today it was part of the winning team that was recently awarded a new contract for logistics and sustainment of multiple weapon and combat systems. This is a two-year single contract with a total value over \$40 million. Under this contract award, Kratos will provide test and evaluation (T&E), repair, and overhaul of certain military hardware for the US Department of Defense. No additional information is being provided due to customer specific and other considerations, including the nature of the work to be performed.

"We are very pleased to continue to assist this important Department of Defense and National Security related customer in the sustainment of its weapon systems, combat systems and hardware as a critical member of this winning contract team," said Jennifer Price, Senior Vice President of Kratos' Madison Research unit of the Weapon Systems Solutions Division.

### **About Kratos Defense & Security Solutions**

Kratos Defense & Security Solutions, Inc. (Nasdaq:KTOS) is a specialized National Security technology business providing mission critical products, services and solutions for United States National Security priorities. Kratos' core capabilities are sophisticated engineering, manufacturing and system integration offerings for National Security platforms and programs. Kratos' areas of expertise include Command, Control, Communications, Computing, Combat Systems, Intelligence, Surveillance and Reconnaissance (C5ISR), unmanned systems, cyber warfare, cyber security, information assurance, critical infrastructure security and weapons systems sustainment. Kratos has primarily an engineering and technical oriented work force of approximately 4,000, many of whom hold an active National Security clearance, including Secret, Top Secret and higher. The vast majority of Kratos' work is performed on a military base, in a secure facility or at a critical infrastructure location. Kratos' primary end customers are United States Federal Government agencies, including the Department of Defense, classified agencies, intelligence agencies and Homeland Security related agencies.
