

Kratos Team Wins \$43 Million Single Award Contract With the Space and Naval Warfare Systems Command (SPAWAR) for Command, Control, Communications, Computers and Intelligence (C4I)

SAN DIEGO, Nov. 28, 2011 (GLOBE NEWSWIRE) -- [Kratos Defense & Security Solutions, Inc.](#) (Nasdaq:KTOS), a leading National Security Solutions provider, announced today its winning team, led by Systems Technology Forum, Ltd (STF), was recently awarded a Seaport-e Delivery Order to support the Space and Naval Warfare Systems Command (SPAWAR) Program Executive Office for Command, Control, Communications, Computers and Intelligence (PEO C4I). The five-year single award Delivery Order has a total value over \$43 million . Kratos will provide systems engineering, logistics engineering, production management and installation support services for the integration of PMW/A 170 military and commercial communications and navigation systems.

"Kratos is extremely pleased to be on the STF team and to have this new opportunity in PMW/A 170. Kratos has continuously provided long-term support to other SPAWAR Programs for over 20 years. We look forward to working with STF and leveraging our specialized experience to support the team," said Vic Wilson, Senior Vice President of Kratos' Engineering & Analysis Business Unit.

About Kratos Defense & Security Solutions

Kratos Defense & Security Solutions, Inc. (Nasdaq:KTOS) is a specialized National Security technology business providing mission critical products, services and solutions for United States National Security priorities. Kratos' core capabilities are sophisticated engineering, manufacturing and system integration offerings for National Security platforms and programs. Kratos' areas of expertise include Command, Control, Communications, Computing, Combat Systems, Intelligence, Surveillance and Reconnaissance (C5ISR), satellite communication systems, unmanned systems, cyber warfare, cyber security, information assurance, critical infrastructure security and weapons systems sustainment. Kratos has primarily an engineering and technical oriented work force of approximately 3,900, many of whom hold an active National Security clearance, including Secret, Top Secret and higher. The vast majority of Kratos' work is performed on a military base, in a secure facility or at a critical infrastructure location. Kratos' primary end customers are United States Federal Government agencies, including the Department of Defense, classified agencies, intelligence agencies and Homeland Security related agencies.
