Kratos Receives \$3 Million in Contract Awards to Provide Integrated Security Solutions at Communication Network Locations

SAN DIEGO, July 25, 2012 (GLOBE NEWSWIRE) -- Kratos Defense & Security Solutions, Inc. (Nasdaq:KTOS), a leading National Security Solutions provider, announced today that it has recently received two contract awards valued at \$3 million to provide integrated security solutions at certain communication network related locations. Under these new contract awards, Kratos will design, engineer, deploy and integrate into command and control system infrastructure very unique and specialized security system assets and elements. Due to specific customer related and other considerations, no additional information will be provided related to these security system awards.

Ben Goodwin, President of Kratos' Public Safety & Security Solutions Division, said, "We are proud to have been selected as the security system integrator for these critical infrastructure protection initiatives. We believe that Kratos' PSS Business is becoming one of the industry's trusted providers of specialized security systems for the protection of critical and strategic assets and locations."

About Kratos Defense & Security Solutions

Kratos Defense & Security Solutions, Inc. (Nasdaq:KTOS) is a specialized National Security technology business providing mission critical products, services and solutions for United States National Security. Kratos' core capabilities are sophisticated engineering, manufacturing and system integration offerings for National Security platforms and programs. Kratos' areas of expertise include Command, Control, Communications, Computing, Combat Systems, Intelligence, Surveillance and Reconnaissance (C5ISR), satellite communication systems, unmanned systems, cyber warfare, cybersecurity, information assurance, and critical infrastructure security. Kratos has primarily an engineering and technical oriented work force of approximately 4,400, many of whom hold an active National Security clearance, including Secret, Top Secret and higher. The vast majority of Kratos' work is performed on a military base, in a secure facility or at a critical infrastructure location. Kratos' primary end customers are United States Federal Government agencies, including the Department of Defense, classified agencies, intelligence agencies and Homeland Security related agencies. News and information are available at www.KratosDefense.com.
